## Conditions

**All applications must be accompanied by the following:**

- Site plan detailing all proposed work
- Work Plan Schedule
- Traffic Management detail that shall be implemented in accordance with:
  - AS 1742.3 – 2009 Manual of uniform traffic control devices, Part 3: Traffic control for works on roads
  - Traffic Control for Works on Roads - Tasmanian Guide 2011.
- You must comply with Work Health and Safety Act 2012 and Work Health and Safety Regulations 2012 in providing a safe work site for the public and site personnel at all times.

- Works within the nature strip are to be fenced off using barrier mesh and all site personnel are to wear high visibility clothing in accordance with the relevant Australian Standards.
- No building materials are to be kept on nature strips during construction and works on nature strips are to be completed within fourteen (14) days of commencement.
- You must check the location of underground services with asset owners before commencement of work. Any damage to Council infrastructure will result in an invoice being sent to the applicant to cover the costs of repair.
- You must reinstate the area of works to its original condition as approved and agreed by Council.
- Work is not permitted to be carried out at night time, weekends or public holidays without prior written approval from Council.

Special conditions:

### Instructions for Applicant

- You do not have approval and must not commence works in the road reserve until you receive written notification for Council quoting a permit number.
- The applicant must notify Council following completion of work.
- A copy of this application shall be kept on-site with all supporting drawings, plans and current public liability insurance at all times.
- Please allow a minimum of 15 working days notice from the date Council received this application to allow time to inspect the site and process all documentation.

I/we agree to comply with all conditions and will accept full responsibility for damage of any kind whatsoever which may be caused within the public road reservation as a result of the works at the location described, and hereby undertake to pay the Dorset Council the total cost of any repairs or reinstatement within the public road reservation as may be deemed necessary by Council's Director of Infrastructure and or/engineer.

Notification has been provided to other parties/authorities and adjoining property owners/occupiers affected by the proposed works.

	Name (print)	Signed	Date
Applicant:			

**NOTE:** Persons not having the required level of \$10 million public liability insurance cover may arrange to have works carried out by an approved Contractor or alternately by arrangement with Dorset Council in the form of a fixed price quotation (Private Works)

Dorset Council reserves the right not to approve Works in the Road Reservation which do not meet the required standards, conflict with existing infrastructure, present an unacceptable risk to public safety or otherwise deemed inappropriate within the road reserve.

<b>PERMIT (office use only)</b>	Permit No _____
This Permit is not valid until signed by an authorised officer of Council and is valid for 6 months only from date of issue.	
Signed	Date:

The information that Council is collecting from you is information required under the Local Government (Highways Act 1982). The intended recipients of the information are officers of the Dorset Council in order to carry out Council business. Personal information will be used only for the purpose described in the Act, or may be disclosed in authorised by law. The supply of the information by you is not voluntary. If you cannot provide or do not wish to provide the information sought, Dorset Council will not be able to process your application. You may make application to access or amend the information held by Council by contacting the relevant Council Officer on 6352 6500. A change of notification to details is the responsibility of the applicant.
