

Dorset Council has recently resurfaced the floor in the Scottsdale Stadium. We are very proud of the high quality of the surface that has been achieved and this has been a great boost for sports and events in Scottsdale.

## FLOOR MANAGEMENT INSTRUCTIONS

**CHAIRS/TABLES** – Under no circumstances can chairs/tables with uncapped feet be used in the Stadium. If any are located they will be removed

**MOVING EQUIPMENT** – Equipment such as Badminton Nets and Netball Rings must be moved by safely lifting them, as dragging will cause damage to the floor surface.

**FOOD** – Food (including lollies, chewing gum etc.) may not be consumed in the stadium, as food spillage can destroy the integrity of the floor surface.

**USE OF EQUIPMENT** – The stadium is **only** designed for Basketball, Netball and Badminton.

**FOOTWEAR** – Appropriate sports footwear must be worn at all times.

**SPILLAGE/DAMAGE** – if there is an accident which involves spillage or damage on the stadium floor please contact Council's Building Maintenance Coordinator Tony Power on 0409 833 974 immediately.

**FRONT EXIT DOORS** – The Red Fire Exit Doors at the front of the Stadium are used for EMERGENCIES only. All user groups need to use the pool/stadium entrance on the left hand side.

## BREACH OF INSTRUCTIONS

Council expects all users of the stadium to adhere to these floor management instructions to ensure that the integrity and quality of the floor is maintained so that people can enjoy use of the facility. Unfortunately if a user breaches these instructions, future requests for hire will be denied and costs pursued.

## REPORTING DAMAGE

If any damage occurs to the stadium, please take photos of the damage and report the damage within one business day to Dorset Council via phone: 03 6352 6500 or via email: [dorset@dorset.tas.gov.au](mailto:dorset@dorset.tas.gov.au).
