Statutory Authority:

OBJECTIVE

To improve accessibility to Council facilities and services that enhances the independence and participation of all people within the community.

POLICY

Council recognises the rights of all customers and visitors to be full participatory members of the community and acknowledges its leadership role in correcting accessibility barriers that may be experienced by people with disability or mobility limitations.

Council will progressively modify existing facilities to comply with applicable access and mobility standards and continually develop services to be more inclusive and accessible for all people within the community.
